T I O T 2004

Norwood Senior High School

Norwood, Massachusetts Volume 66

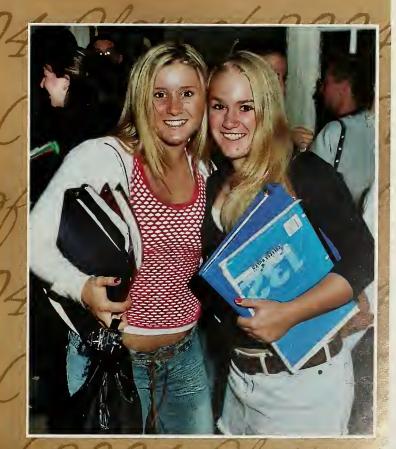

2004 Class of 2004 Class of

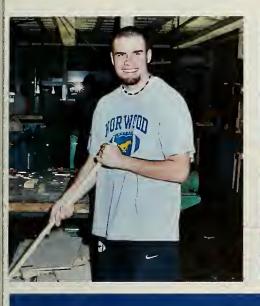

Sittin' here thinkin 'bout yesterday

And all the friends I've had,

Never ever thought that I would change

But as I'm looking back,

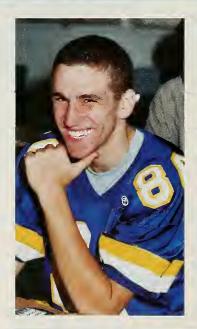

Feels like I'm growin' up so fast

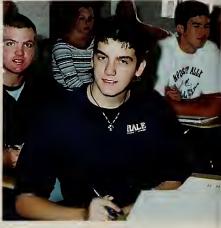

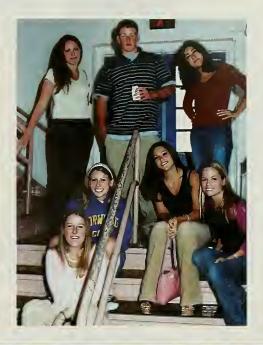

Before I know it my future's now my past

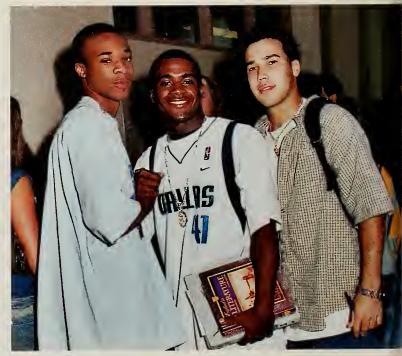

Like sand through an hour glass

I wanna take a picture

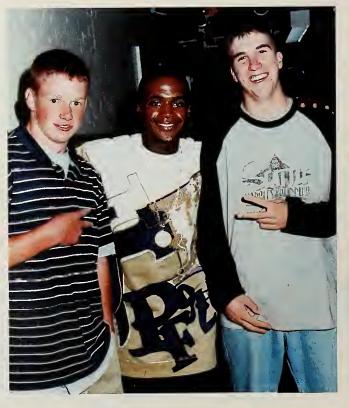

So I remember this moment forever.

So I remember this moment together.

"How do you like your principal? ...Well done"

toward graduation..."

"Workin his way

"Five, AH!!"

"Down, Boy"

"How bout a kiss, Taggs?"

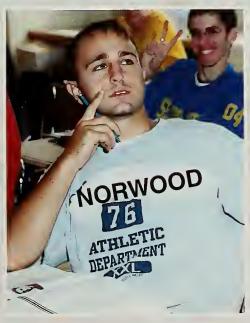

"Matt, where da Fiji at?"

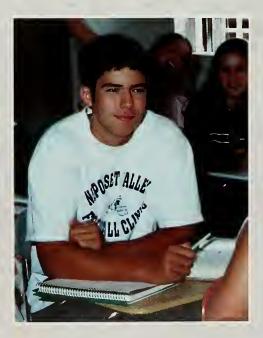

"I told you I didn't steal the Diet Cokes."

"Pat, break up with Liz so we can go out."
"Vinny, I'm not ready for a committment,
I'm getting drafted by the Bruins."

"Who am I? Gil, Gilly, Quill, Quilly, Dan Quayle, or GILLCAT!!!"

"Man, why is she doggin me?"

Dedication

We, the Class of 2004, dedicate this edition of the <u>Tiot</u> to Mrs. Elaire Fiorillo. An exemplary teacher, Mrs. Fiorillo has always shown a caring attitude and a quiet competence in teaching all levels in the Foreign Language department. She taught briefly at the Norwood Junior High in the 70's, then returned to Norwood at the High School in 1994. Every one of her students in every class knows how much she cared for them.

As we move on through graduation, Mrs. Fiorillo stands as an example for all of us, facing serious issues with grace and dignity. Her courageous attitude is something for all of us to admire. We proudly dedicate this yearbook to her.

First and most important of all, Queen rocks. As for saying hello, 'Hi'. This is it, the chance to change your life. Or to just live it however you want, but just like the rest of your life it's another oppurtunity to do something new. Take it, the routine of your life is becoming more regimented as you grow older. Now is the time to act with inspiration.

As time has changed and seasons have passed,
We've developed a bond that will forever last.
As we say good-bye in this our final year
We try to hold back those overpowering tears.
We remember those times that seem so long ago
As we grew up together through highs and lows.
We knew this day would eventually be here
But had no idea of its overwhelming fear.
The years have flown by but the memories remain
These faces and names will always stay the same.
So as you go out into this world unknown
Always remember there's no place like home.

Graduating with us . . .

Lucille Brady graduated from Boston College (B.S.), and from Assumption with a Master's in French. She came to Norwood High School in 1977, entering the Foreign Language department. She taught French and Spanish, and has already begun her retirement this year. Lucille was a well-organized and thorough teacher in all of her courses and will be missed. We wish her to continue to have a long and happy retirement.

Cheryl Brown graduated from Tufts University with her Bachelor of Arts and went on to get her Master's from Boston College. She was hired by the Norwood School Department in 1969 and assigned to the Junior High School. She arrived here from the North in 1984 and has been a superb teacher and department head since. Cheryl has monitored a growing Foreign Language department, and her dedication and leadership will be missed.

George Fahey attended St. John's Seminary in Brighton and received his Master's in Social Work from Boston College. He was hired as a school adjustment counselor in 1975. George has touched many lives in his 29 years at Norwood, working with students and their families from all backgrounds and has continually improved the lives of all. We wish George luck as he now becomes a full-time baseball fan, and wish him many happy years in retirement.

Cricket Focht came to us after graduating from Trenton State College in New Jersey. She has been involved in the Physical Education program at all levels, finishing up as Department Head here at the High School since 1991. Ed Kirker graduated from Boston State Teachers' College in 1968, and found his way to Norwood Junior High in the English Department. He was promoted to the High School in 1988. A perennial "most athletic" selection in the yearbooks, Ed has been a coach for basketball and track, as well as an area official. His engaging personality and his infectious laugh will be remembered by students and faculty alike for a long time.

Blanche Moran spent many years at the Registry of Motor Vehicles before coming to help the Guidance Department in 1979. She has been a fixture at the front desk since that time, handling the day-to-day problems with her quiet and competent manner. We have missed Blanche this year, being out many days because of illness, and wish her a long and happy retirement.

Tom Smelstor graduated from Norwood High School in 1965, went on to Norwich, finishing in 1969, and returned to teach and coach in his alma mater. Tom has been a member of the Social Studies department, first at Junior High South, then at the High School since 1988. He has been a very successful coach in various sports, most recently Cross-Country, Track, and Girls' Ice Hockey. His standard for excellence in the classroom is as high as it is on the athletic arenas, and he will be missed in both areas.

Carole Smith came through Boston State Teachers' College, continued with a Master's Degree from Fitchburg State, and arrived in Norwood in 1996. She has worked in the Learning Center since that time and has aided numerous Special Education students through their challenges with one-on-one help. Her patience, her caring attitude and her special relationships with her students will be missed. The Class of 2004 wishes her well.

Bob Smith worked in Norwood at the North Junior High, starting in 1969 in the Industrial Arts department. He came up to us at the High School in 1984, and has developed his skills to become an accomplished electronics teacher and computer technician. As our level of technology here at the High School has increased, so has his value in correcting problems and improving services. The faculty and his students share in an appreciation of his patient manner, his expertise, and his attention to each individual problem. He has earned a long and restful retirement.
